The Professional Engineers and Land Surveyors Acts authorize licensed civil, electrical and mechanical engineers, land surveyors and licensed photogrammetric surveyors to offer and practice their profession through the medium of a firm, partnership or corporation. Board Rule 463 requires a professional engineer, licensed land surveyor or licensed photogrammetric surveyor to notify the Board, on a form prescribed by the Board, within 30 days of any such association or termination of association.

Reminder: If you form a new association and/or business, you must submit an Organization Record form notifying the Board of said association.
